Why SiwinnTag?

为什么选择 SiwinnTag?

20+ Year Durability · 20年长效

Industrial-grade laser-marked QR. Resistant to UV, salt-spray, oil, abrasion, and extreme temperatures (-40°C to 200°C).

100% Bespoke · 100% 定制

Any size from 20×10 to 200×100 mm. Your logo, your QR data, your asset profile structure — fully tailored.

17-Year Manufacturing · 17年制造积淀

Backed by Siwinn Technology — a Tier-1 precision metal manufacturer serving global automotive & industrial OEMs.

Digital Twin Ready · 数字孪生就绪

Each tag links to a fully-hosted asset profile. SOPs, maintenance logs, technical docs — all behind one scan.
